BEAUTIFULLY BROKEN (PAPERBACK)

Shauntae Smith, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. My intention was not to write a book full of sad stories because I would be telling my story through tinted lenses. Remember this: when we recount a story, whether personal or public, we must be certain that we maintain proper insight about the situation. Often, we must take time to sort through moments of exhilaration and brokenness; prevail over scattered emotions and celebrate victories, and tie up loose ends of disappointments in order to articulate the story through healed lenses. It's necessary as we walk in destiny to deal with rejection issues that violently pull at our trust and truth in forming new relationships. It can be challenging to adopt the proper perspective of seeing God in your triumphs and turmoil, and if we do so correctly, we will embrace the truth of my favorite scripture that "all things work together for your good if you love God and are the called according to his purpose." That revelation may not happen immediately, but eventually, you will be the victor: prepared, healed, and whole enough to live on the other side of your tragedies and one day tell your story. If you're eager to see the beauty in your current broken areas, your journey may require that you abandon everything you thought you knew about surviving and dare you to become a risk-taker: one who is flexible, resilient, and uncomfortable with living a mediocre, fragmented life.
